

Annual Report TSS Programs

Universal Items

1. Submit policies on admitting, treating, and referring methadone maintained clients.
2. Submit policies and procedures that describe opportunities for consumer feedback, input, and procedures for incorporating this information in service provision. Also include one or more examples of issues that have been reviewed in your specific program because of consumer feedback. Attach blank copies of consumer feedback forms used by your program (e.g., consumer satisfaction surveys). (See page 36 BSAS Terms and Conditions.)

Specific Items

1. Describe the different topic presentations that your program is currently conducting. Attach a weekly schedule of Psycho-educational groups (page 5 of TSS RFR).
2. Submit the number of Methadone clients that your program has admitted this fiscal year (page 4 of TSS RFR).
3. Submit your policy on visitation that assures the safety and accountability of all participants (page 4 of TSS RFR).
